The zany characters who snuffle, soar and shriek through this book will help kids understand the concept of such emotions as joy, disappointment, boredom and anger. "The Way I Feel" will also show kids how to express their feelings with words.

This delightful book is used in homes, classrooms, literacy programs and pediatric clinics across the country. "Finally we have a resource which teaches children how to articulate what they feel," wrote a health educator.

The imaginative illustrations and superbly crafted verses are sensitive and free of bias and slang.
