## **Delirium: The Complete Collection: Delirium, Hana, Pandemonium, Annabel, Raven, Requiem (Delirium Trilogy) Lauren Oliver**

This collection contains the complete text of the three bestselling Delirium novels plus three short novellas about characters in the Delirium world. Lauren Oliver's powerful *New York Times* bestselling dystopian trilogy presents a world as terrifying as George Orwell's *1984* and a romance as true as *Romeo & Juliet*.

*Delirium*: In a dystopian world where love is declared the deadliest of all diseases, one's only hope is to be cured. Lena is 95 days away from getting her cure when she does the unthinkable. She falls in love.

*Pandemonium*: The explosive second book of the Delirium trilogy brings us a new Lena: strong, fierce, and defiant. But the chaos of a loveless world will lead her into the fight of her life.

*Requiem*: This exciting finale to Lauren Oliver's *New York Times* bestselling Delirium trilogy is a riveting blend of nonstop action and forbidden romance in a dystopian United States.

The *Hana*, *Annabel*, and *Raven* novellas each center around a fascinating and complex character who adds important information to the series and gives it greater depth.
