Money and designer clothes. Fame and red carpet events. Front row concert tickets and expensive parties.

That's the good stuff . . . but being the daughter of a music mogul or a famous rapper isn't easy. Step inside the lives of Kayla Jones and Promise Walker. As the daughters of two legends of rap music, trips, cash, designer labels and famous friends are just business as usual for Kayla and Promise. But so are the high expectations of super-successful parents, the drama of having two-faced friends, the not-always welcome glare of constant media attention and the hurt of nasty gossip. Add to that the ugly reality that some people would do anything to take their parents down—and Kayla and Promise face a daily struggle to figure out who to trust when everyone is blinded by their dad's power. To make matters worse, sometimes, they're not even sure of each other!
