The Child, The Family And The Outside World (Chinese Edition) Donald W. he

Dr. Winnicott explores the basic relationships of childhood starting with the bond of love between mother and infant, which he views as the key to personality. Speaking directly and informally, he explains mental mechanism contained in everyday issues such as feeding, crying, playing, independence, and shyness. Throughout each discussion, Dr. Winnicott emphasizes influence to child by the inborn abilities and personality of parents. And it tells us: based on the our instinct to realize interaction and communication between parents and child is the best parent-child education model.
