## Don't limit your fiction - LIBERATE IT

All too often, following the "rules" of writing can constrict rather than inspire you. With *Story Trumps Structure*, you can shed those rules - about three-act structure, rising action, outlining, and more - to craft your most powerful, emotional, and gripping stories.

Award-winning novelist **Steven James** explains how to trust the narrative process to make your story believable, compelling, and engaging, and debunks the common myths that hold writers back from creating their best work.

- Ditch your outline and learn to write organically.
- Set up promises for readers - and deliver on them.
- Discover how to craft a satisfying climax.
- Master the subtleties of characterization.
- Add mind-blowing twists to your fiction.

When you focus on what lies at the heart of story - tension, desire, crisis, escalation, struggle, discovery - rather than plot templates and formulas, you'll begin to break out of the box and write fiction that resonates with your readers. *Story Trumps Structure* will transform the way you think about stories and the way you write them, forever.
