## **The Autumn Is Darkening** Jonathan Kaessner

The Autumn Is Darkening is a collection of short stories, poems and vignettes that explore the mystery of the world before our eyes and the haunting enchantment of life, death and beyond. Like the autumn itself, the fragility of life is equaled by strength, love and beauty. Leaves wither and fall, to be reborn. The sun yields the darkness, only to dawn again. Life has its end, but not until it is lived.
