*The game of life is a game of boomerangs. Our thoughts, deeds, and words return to us sooner or later with astounding accuracy.*

Florence Scovel Shinn, a prominent and provocative twentieth-century leader of the New Thought movement, was known for her sage guidance on prosperity, intuition, relationships, and fulfillment. Shinn's distinct philosophy and practical approach included enlightening affirmations, timeless anecdotes, and action-based advice that are still relevant for the fast-paced world of today.

In addition to Shinn's original writings, *The New Game of Life* features Dr. Ruth L. Miller's contemporary translations as well as additional exercises and summaries to fully engage a new generation of thinkers.
