What if a Christian woman fell in love with the Antichrist, the devil incarnate? Long ago, in ancient Egypt, the sun and the moon were regarded as the eyes of the great falcon god, Horus. The left eye was a symbol of the moon, known as the Eye of Horus, and the right eye was that of the sun, the Eye of Ra. Ra was the king of the gods, or “the father of the gods,” according to The Egyptian Tales of Horus. Kathy Samuel was inspired to tell the tale of a man whose life was ruled by these ancient Egyptian tales. This story, the story of Aaron Stone, is told from the point of view of the woman who, against all of her better judgment, falls in love with him. Angela Russo, a Christian woman, tells the thrilling tale of how meeting a charming, yet mysterious man, Aaron Stone, impacted her life forever. After receiving an email from her ex-husband, Angela finds out that a man whom her son has been keeping company with, claims to be the antichrist. Aaron Stone alleges that he has come into the world as Lucifer, the enlightened one, who has now been redeemed, and who will rise up to be the head of the New World Order. A devout Christian, Angela decides to approach the man with the intention of keeping him away from her son, Nicholas. However good her intentions were, Angela finds herself entangled in a complex and destructive relationship with the antichrist. Wrestling with the effects such a companionship has on the well being of her friends and family, Angela finds herself running out of time to escape Aaron's grasp before he takes his reign over the world...and her soul. As she fights to break away from him, she discovers that she is not only fighting the forces of evil, but also against the hypnotic spell Aaron Stone has cast upon her. The twists and turns of this novel shows the inner struggles of Good versus Evil, Right versus Wrong, and the basic, all-too-familiar tale of falling in love with the wrong person. The Aaron Stone Trilogy (Book 1)
