Living With the Dragon: Acting Ethically in a World of Unintended Consequences

Daryl Koehn

Living With the Dragon: Acting Ethically in a World of Unintended Consequences Daryl Koehn

The book consists of a short introduction to the significance of unintended consequences and four chapters. The first chapter develops a typology of unintended consequences and distinguishes them from historical contingencies. The second chapter analyzes three types of causes of such consequences: worldly, practical and psychological causes. The third explores the significant problems these consequences pose for standard moral theories. The fourth and final chapter examines how we might begin both to think about and cope with unintended consequences in an ethically good way.

From reader reviews:

Kimberly Kiser:

What do you concentrate on book? It is just for students since they're still students or this for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby per other. Don't to be obligated someone or something that they don't would like do that. You must know how great in addition to important the book Living With the Dragon: Acting Ethically in a World of Unintended Consequences. All type of book are you able to see on many solutions. You can look for the internet solutions or other social media.

Brenda Taylor:

What do you about book? It is not important together with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on guardería until university need this Living With the Dragon: Acting Ethically in a World of Unintended Consequences to read.

Daniel Starnes:

People live in this new morning of lifestyle always try and and must have the time or they will get great deal of stress from both lifestyle and work. So , if we ask do people have time, we will say absolutely indeed. People is human not a robot. Then we request again, what kind of activity are there when the spare time coming to anyone of course your answer will unlimited right. Then ever try this one, reading publications. It can be your alternative throughout spending your spare time, the book you have read will be Living With the Dragon: Acting Ethically in a World of Unintended Consequences.

Jason Rickman:

Do you like reading a guide? Confuse to looking for your selected book? Or your book ended up being rare? Why so many issue for the book? But almost any people feel that they enjoy regarding reading. Some people likes studying, not only science book but novel and Living With the Dragon: Acting Ethically in a World of Unintended Consequences or even others sources were given expertise for you.
