Is there life after death? It depends on who you ask...It happens to all of us, yet...what happens when we die? Are we reincarnated? Do we go to heaven? Is death the end of everything? Or do our souls pass on to another life? Do we even have souls? These are the questions humans have wrestled with since the dawn of mankind. We've heard answers from philosophers and theologians. Now, for the first time collected in a single volume, people from every faith and calling share their thoughts on this most fundamental problem. Ordinary folk from all walks of life offer their ideas about what happens after our life has run its course. Sooner or later everyone makes that final journey. Now readers can find inspiration from a wide range of enlightening opinions as they form their own thoughts about the afterlife.
