## **The Dissonance of Democracy: Listening, Conflict, and Citizenship** Susan Bickford

"Though many works in political and feminist theory are concerned with speech and voice, none that I know of takes listening as its organizing idea and very few have the range Susan Bickford's does. Even fewer have her ability to render complex texts and issues into such clear prose without sacrificing sophistication or depth. . . . An intelligent, bold, and unpretentious book." --J. Peter Euben, University of California, Santa Cruz
