## 21 Days into the heart of Jesus: Intimacy with Christ MR Ian W Johnson

21 Days into the heart of Jesus is a tool for personal use, or for use with groups in a retreat situation. It is based on the concept that if we come to Jesus, He will come to us. These very simple devotions are designed to open the door to intimacy with Jesus through experiencing His heart and entering the Glory Realm. These principles of devotion are similar in structure to those used by St Ignatius Loyola in his 'Spiritual Exercises', first published in 1540. Those who used these for personal revival went on to spark significant moves of God in India, Malaysia, the Philippines, Indonesia and Japan. There was nothing in the spiritual exercises to suggest that the power of God would be released in signs, wonders and in raising the dead, but those who were influenced by them, ministered out of a pure love for Jesus, and saw some wonderful miracles as a result. Relationship sparked revival! Nothing has changed, and personal revival still comes out of this relationship. The power is not in the book but in your heart response to the moving of the Holy Spirit. Therefore this book is nothing more than simple words. If you let the Holy Spirit water these words, revival will surely come to your heart.
