Cockpit (Kosinski, Jerzy) Jerzy Kosinski

An agent known only as Tarden is a former operative of the mysterious security agency "the Service." He has erased himself from all dossiers and transcripts. Now a fugitive, he moves across the landscape free of identity, in search of adventure and intrigue. But Tarden is a man of many disguises, and he is alternately avenger and savior, judge and trickster, as he enters the lives of others, forcing them into the arena of his judgement. In *Cockpit*, Kosinski is at his most startling and powerful, stripping away pretension and illusions of security to reveal the source of real strength within.
