Embracing the End-of-Life Journey is a sensitive and inspiring personal account of learning how to be fully present and comfortable with the time we have left with our loved ones as they approach the end of their lives. Author and spiritual teacher Wendy Jordan shares how she learned Reiki energy healing techniques for her own personal healing and comfort after her father's death, then discovered ways to spiritually journey with her hospice patients, clients, friends and even her beloved dog - creating lasting soul connections. A heart-opening "must read" for family members, caregivers and Reiki practitioners dedicated to supporting the end-of-life journey "This book shows us how to expand our hearts and minds to the remarkable gift of intuitive connection, especially at the end of life" -Denys Cope, RN, BSN, author of Dying: A Natural Passage "Wendy is a very gifted and spiritual soul who profoundly helped my sister in her transition to the next world. She showed us how to spiritually journey . . . I now know I can visit with my sister at any time" - Barbara Ann Savini, Hypnotherapist and Reiki Master
