From Our Side of the Fence: Growing Up in America's Concentration Camps

From Our Side of the Fence: Growing Up in America's Concentration Camps

From Our Side of the Fence contains the first-person accounts of eleven former internees who recall their memories of youth in America's concentration camps. This collection traces each author's personal journey through war, giving voice to a history that has been silenced. This book also offers lesson plans for use by educators and students and for internees who wish to tell their own stories.
