The Batman Handbook: The Ultimate Training Manual Scott Beatty

At one time or another, we've all fantasized about being super heroes. The problem has always been that radioactive spider bites and sun-inspired superpowers are a bit hard to come by. But with *The Batman Handbook*, this lifelong fantasy can finally become a reality.

With sections on "How to Throw a Batarang," "How to Make a Batsuit," and "How to Bulletproof Your Batmobile," this is the ultimate real-world training manual for any aspiring caped crusader. You'll discover how to:

- Train a Sidekick
- Execute a Backflip
- Survive a Poison Gas Attack
- Throw a Grappling Hook
- plus dozens of other crucial skills

With original two-color illustrations by a DC Comics artist, *The Batman Handbook* has the information you'll need to emerge victorious against any criminal mastermind. And with *Batman Begins* releasing in June 2005, and the new animated series *The Batman!* launched in Fall 2004, *The Batman Handbook* is sure to be a hit.
