London's most scandalous beauty, Pandora Effington, intends to marry a hero—not one of those boring, run-of-the-mill bachelor lords who leave her cold. No, the husband she desires must be someone special, someone whose touch sends delicious shivers down her spine, and who will do absolutely *everything* in his power to win her love. Someone like . . . *Maximillian Wells*.

The dashing Earl of Trent cannot believe his ears . . . or his eyes. Here before him stands beautiful Pandora Effington, and the fiery, unattainable heiress is making him a most tantalizing offer. Maximillian can have the lady's hand in marriage . . . *if* he agrees to play a game of her devising—one involving great risk, ingenuity, passion, and determination.

*It is a game he has no intention of losing . . .*
