Ginger Snaps: A Jack Patterson Thriller Webb Hubbell

Jack is back! Attorney Jack Patterson returns to Little Rock, Arkansas after an old acquaintance, Dr. Douglas Stewart, is arrested for marijuana cultivation, possession, and distribution. Jack is no expert on drug cases, but meets with Stewart to fulfill a promise to his late wife, Angie, who was close to Stewart.

Expecting to wrap up his involvement in an hour and enjoy the rest of the weekend golfing, Jack hears from Stewart that his arrest isn't about the marijuana. Teaming up with his bodyguard, Clovis, and defense attorney Micki Lawrence, Jack begins to investigate why this highly-respected scientist was growing marijuana. He learns that Stewart had alerted the government about the existence of his marijuana garden years ago.

Why the arrest now? Why are the Feds claiming terrorist involvement? Stewart's wife, Liz, claims it has to be about her ginger snaps which are laced with marijuana to help ease the pain of cancer patients. As Jack delves deeper into the case, he discovers that both Stewarts and the federal government are hiding secrets, secrets that connect to a past Jack and all involved would rather forget.
