"Damn those Loopy brand leprechauns are a kinky bunch."

An adult kitchen-toy-story type erotic short.

What do your favorite kitchen characters get up to when you are asleep?

In this short, the sexy drawn figure on your whiskey bottle has horny relations with the cowboy-shaped honey bottle, characters step right off of your cereal box, crackers, cookies, cleaning products and beer packaging to have an x-rated, randy evening all over the kitchen counters.

This humorous (but still very adult) erotic short story contains fictional kitchen characters getting it on while the humans who bought them sleep unaware. Imagined with her own famous, copyrighted, kitchen characters in mind, the author changed things up so no copyrights would be infringed upon. Satire is allowed, but using the original names and descriptions in this manner are not. In this short you will find a naughty whiskey character, another character off of a cereal box, a cracker box, cookies, cleaning products and beer, all doing nasty things with each other, including double penetration, MFF, a small (giggle) orgy, and much more. Enjoy!

Approx. word count 3,800+ (Not including supplementary material)
