La narrativa española de hoy (2000-2013): Le imagen en el texto (3) (Liminaires - Passages interculturels) (Spanish Edition)

Este volumen constituye el tercer y último eslabón de una serie de libros colectivos que, como lo indica el título que los une y engloba, pretenden brindar una visión de la narrativa española actual desde el ángulo original de las diferentes formas de manifestación de la imagen en el texto. Apoyándonos en los estudios monográficos reunidos en los primeros dos tomos de la colección, pero abriendo más aún el abanico de autores y poéticas, presentamos aquí un conjunto de análisis transversales destinado a «tomarle el pulso», de manera más global y sintética, a la narrativa española de nuestro tiempo. En particular, no dejan de aparecer en el presente libro los diferentes rasgos y las dimensiones de ese realismo novedoso y comprometido que ha ido instalándose últimamente en la narrativa española como para cuestionar con mayor agudeza, y tal vez corregir, el mundo en el que vivimos.
