Post Traumatic Stress Disorder has damaged the lives of soldiers returning home from war for as long as soldiers have been returning home. PTSD is a new name for an invisible injury that is centuries old. Call it battle fatigue or shell shock – the horror has always been the same. PTSD makes soldiers hurt on many levels and it can hurt their families and friends, as well. Faith, forgiveness and friendship are the healing tonics for the soldiers' well-being. Follow these war horses down their own special road to recovery and learn a new way to heal.
