Mormon enigma. What the Bible says about it. Massimo Franceschini

The purpose of my books will be to use the Bible, which is trusted as the Word of God, and it is, to show mankind that there is a solid ground for the story of Joseph Smith. Had he a vision? Did he received a sealed book from an angel? Was the book supposed to be underground? Isaiah and other prophets knew about the two Americas? What is the purpose of the Book of Mormon? In this and in the following volumes I will quote scriptures by the Bible to show the people that the story and the doctrines of the book of Mormon are find, and are reasonable, in the Bible. Surely I can't prove it with tangible proofs, like no one is able to prove with tangible proof the resurrection of the Lord. Faith is always necessary to believe, but I am sure that, if prejudices are overcome, what I am going to discuss it will be reasonable and interesting. So buckle up and remember : "Minds are like parachutes: they work better when they are open". The critics usually don't pay any attention to the answers.

They don't believe there is an answer. This information is for those who have faith in the Gospel of Jesus Christ and are sincere in their heart.
