Josh Blake wakes up to the sound of the chilling scream echoing inside his head. His childhood nightmares are haunting him again. But why return now after all those years of oblivion? He sets out to investigate and he changes the natural course of events, rewriting destiny and creating a whole new world for himself and for those around him. His turbulent childhood mingles with the present, unveiling the deep insecurities that lurk behind his polished exterior of fame, glory and wealth.

The Blake Soul is a gripping, emotional love story which violently collides with family feuds, guilt, betrayal and revenge.

THE BLAKE SOUL, the first book in the Blake series, is a Free Romance Full Length Novel. \*\*Each book in the series could be read as a stand-alone and there are no cliff-hangers at the end of each novel.\*\* Therefore you can enjoy the free book without any obligation to buy the rest of the series.

Interview with the Author

Q – What is the idea behind the Blake series?

A – The Blake books are supernatural thrillers with a dash of romance. I try to mould that moral fibre inside the heart of all my novels:

- The sanctity of human life is highlighted in The Blake Soul
- The susceptible young mind lost to alcohol and drugs features in The Blake Curse
- The detrimental effect of childhood psychological trauma is depicted in The Blake Mistake.
- The Blake Legacy: A Fracture in Time deals with peer pressure, intimidation and that desperate search for an exquisite type of pure love, a love untainted by monetary gains or sexual intentions, a love for the sake of love itself.

I try to raise awareness...whether I succeed to do this in all my novels remains debatable, I guess, but the intention is there.

Q - What order should I read the books in?

A – Each book in the Blake series could be read as a stand-alone. Chronologically they run in the following sequence:

- The Blake Soul (Free Romance Book)
- The Blake Curse
- The Blake Mistake
- The Blake Legacy: A Fracture in Time
- The Blake Legacy II: Till Death Do Us Part (Out Autumn 2016)

Q - What else have you written?

A - Week of Lies is a Christmas romance and thriller set in London and it spans a fateful week of lies and deceit. The opening chapter takes us to New Year's Day where Beth Banks wakes up to find her father dead in their multimillion pound house in London. It appears to be a suicide, but Beth has her doubts. She looks back on her previous week, her introduction into the cryptic world of Rob Menezes, the righteous law graduate desperately seeking a living, the man she has grown to love and trust despite his many facets. She sets out in search of the truth and she uncovers a dark secret that could radically change her life.
