The Last Days of the Confederacy in Northeast Georgia (Civil War Series)

Ray Chandler

The Last Days of the Confederacy in Northeast Georgia (Civil War Series) Ray Chandler

In 1861, northeast Georgians were the driving force into secession and war. In 1865, Confederate president Jefferson Davis, his government collapsing and himself a wanted man, brought the reality of the war to the regions doorstep. Governor Joseph Brown, U.S. senator Robert Toombs and the politically influential Howell Cobb of Athens and his brother Thomas R.R. Cobb all fought passionately for Southern independence. The region epitomized the reasons for which the South waged and supported the war, yet it was spared the destruction seen in other places. Even Shermans Union army touched only the regions fringes. Author Ray Chandler brings to light the final act of the Confederacy in the Peach States northeast and the lasting impact it had on Georgians.
