Many people are looking for their soulmate and expect to be blissfully happy when they find one. But, sadly, they seem doomed to disappointment. Soulmates are both a powerful fact and one of the biggest illusions of all time. This new book from the best selling author of The Crystal Bible draws on Judy Hall's thirty five years as a karmic counsellor examining karmic relationships in general and soulmates in particular. It explains why meeting a soulmate can be a soul-scouring experience and what the karmic lessons and conundrums may be. Offering exercises and visualisations to heal the past, it then introduces the revolutionary new concept of twinflames: soulmates without the karma.
