Hailed by financial professionals worldwide as the single best guide of its kind, *Valuation, Fourth Edition* is thoroughly revised and expanded to reflect business conditions in today's volatile global economy. *Valuation* provides up-to-date insights and practical advice on how to create, manage, and measure an organization's value. Along with all-new case studies that illustrate how valuation techniques and principles are applied in real-world situations, this comprehensive guide has been updated to reflect the events of the Internet bubble and its effect on stock markets, new developments in academic finance, changes in accounting rules (both U. S. and IFRS), and an enhanced global perspective. This edition contains the solid framework that managers at all levels, investors, and students have come to trust.
