**Bull by the Horns: Fighting to Save Main Street from Wall Street and Wall Street from Itself** Sheila Bair

Appointed by George W. Bush as the chairman of the Federal Deposit Insurance Corporation (FDIC) in 2006, Sheila Bair witnessed the origins of the financial crisis and in 2008 became—along with Hank Paulson, Ben Bernanke, and Timothy Geithner—one of the key public servants trying to repair the damage to the global economy. *Bull by the Horns* is her remarkable and refreshingly honest account of that contentious time and the struggle for reform that followed and continues to this day.
