'eMarketing eXcellence' offers an exciting new approach to help you build a customer-driven e-business. As the core text for the CIM's E-marketing award, the book offers a highly structured and accessible guide to a critical subject, providing a useful reference point for all students and managers involved in marketing strategy and implementation.

A practical guide to creating and executing e-marketing plans, this book combines established approaches to marketing planning with the creative use of new e-models and e-tools. It is designed to support both marketers who are integrating e-marketing into their existing marketing and communications strategies and experienced e-marketers looking to optimise their e-marketing.

The book shows how to:

- Draw up an outline e-marketing plan
- Evaluate and apply e-marketing principles & models
- Integrate online and offline communications
- Implement customer-driven e-marketing
- Reduce costly trial and error
- Measure and enhance your e-marketing
- Drive your e-business forward

As the core text for the CIM's new professional E-marketing Award, it provides comprehensive, critical coverage of the key areas of e-marketing planning for marketing professionals. Established marketing concepts such as customer relationship management, the marketing mix and the widely adopted SOSTAC® planning system, are re-examined in the new media context - and new approaches are defined, including business models, traffic building and web site design.
