These are thoroughly revised editions of Integrated Korean: Beginning 1 and Beginning 2, the first two volumes of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. The new editions feature a more attractive two-color design with all new photos and drawings and an additional lesson and vocabulary exercises. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbooks, newly written, provide students with extensive skill-using activities based on the skills learned in the main text. Audio files may be downloaded on the web in RealAudio or MP3 format at <http://www.kleartextbook.com>. Sets of CDs are also available for purchase.
