**Miami Massacre (The Executioner Book 4)** Don Pendleton

**In Miami, the Executioner sees an opportunity to end his war in one fell swoop**

At the home of the mob capo of Arizona, a silhouette slips across the yard, kills two guards with a silenced pistol, and eases inside the house. Mack Bolan, the ruthless sniper known as the Executioner, has come to cleanse Phoenix of Mafia rule, but the boss is not at home. He's on a plane to Miami, to a meeting of every capo in the country, and his agenda has only one item: destroy the Executioner once and for all.

Bolan had planned to fight his way across the country, taking out branches of the crime syndicate one by one, but the Miami summit presents a chance to destroy the Mafia with one single blow. The leading lights of organized crime are being guarded by the two toughest killers the Executioner has ever faced, and the beaches of the Sunshine State will soon be awash in blood.
