Rift (Nightshade Prequels) Andrea Cremer

Chronicling the rise of the Keepers, this is the stunning prequel to Andrea Cremer's internationally bestselling Nightshade trilogy!

Sixteen-year-old Ember Morrow is promised to a group called Conatus after one of their healers saves her mother's life. Once she arrives, Ember finds joy in wielding swords, learning magic, and fighting the encroaching darkness loose in the world. She also finds herself falling in love with her mentor, the dashing, brooding, and powerful Barrow Hess. When the knights realize Eira, one of their leaders, is dabbling in dark magic, Ember and Barrow must choose whether to follow Eira into the nether realm or to pledge their lives to destroying her and her kind.

With action, adventure, magic, and tantalizing sensuality, this book is as fast-paced and breathtaking as the Nightshade novels.

"A great new book that will leave you breathless." –*Romantic Times*

From reader reviews:

Lucille Chenier:

What do you think of book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has different personality and hobby for every single other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book Rift (Nightshade Prequels). All type of book can you see on many options. You can look for the internet solutions or other social media.

Milan Allen:

This Rift (Nightshade Prequels) book is simply not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is definitely information inside this e-book incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. That Rift (Nightshade Prequels) without we recognize teach the one who examining it become critical in pondering and analyzing. Don't become worry Rift (Nightshade Prequels) can bring any time you are and not make your tote space or bookshelves' become full because you can have it inside your lovely laptop even cell phone. This Rift (Nightshade Prequels) having fine arrangement in word and layout, so you will not really feel uninterested in reading.

Rafael Perez:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining such as comic or novel. Typically the Rift (Nightshade Prequels) is kind of reserve which is giving the reader erratic experience.

William Henslee:

Is it anyone who having spare time then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Rift (Nightshade Prequels) can be the solution, oh how comes? A fresh book you know. You are thus out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?
