## The Bible and Literature: The Basics Norman W. Jones

*The Bible and Literature: The Basics* provides an interpretive framework for understanding the significance of biblical allusions in literature?even for readers who have little prior knowledge of the Bible. In doing so, it surveys the Bible's influence on a broad range of English, American, and other Anglophone literatures from a variety of historical periods. It also:

- offers a "greatest hits" tour of the Bible
- focuses as much on 20<sup>th</sup>- and 21<sup>st</sup>-century literatures as on earlier periods
- addresses the Bible's relevance to contemporary issues in literary criticism such as poststructuralist, postcolonial, feminist, queer, and narrative theories
- includes discussion questions for each chapter and annotated suggestions for further reading

This book explains why readers need a basic knowledge of the Bible in order to understand and appreciate key aspects of Anglophone literary traditions.
