It has been a few months since the Harmonicandy was chosen as the winner of the nationwide candymaking contest. Forever changed by the experience, Logan, Miles, Philip, and Daisy have returned to their regular lives. But when presented with the chance to go on tour to promote the new candy, they each have very different reasons for hitting the road.

The stakes are a lot higher than they thought, however, and a decades-old secret is revealed. In this action-packed adventure, the four friends embark on a journey full of hidden treasures, imaginary worlds, rivers of light, a map of awe, a sky of many colors, and one very small cat who thinks he's a dog.

And candy.

LOTS and LOTS of candy.

They've already learned to trust one another. Now they'll have to trust themselves in order to face what lies ahead and save what really matters.
