## Exiled to Siberia

In June 1942, the Rudomin family is arrested by the Russians. They are "capitalists -- enemies of the people." Forced from their home and friends in Vilna, Poland, they are herded into crowded cattle cars. Their destination: the endless steppe of Siberia.

For five years, Ester and her family live in exile, weeding potato fields and working in the mines, struggling for enough food and clothing to stay alive. Only the strength of family sustains them and gives them hope for the future.
