Ursula K. Le Guin

Gifts Ursula K. Le Guin

Scattered among poor, desolate farms, the clans of the Uplands possess gifts. Wondrous gifts: the ability--with a glance, a gesture, a word--to summon animals, bring forth fire, move the land. Fearsome gifts: They can twist a limb, chain a mind, inflict a wasting illness. The Uplanders live in constant fear that one family might unleash its gift against another. Two young people, friends since childhood, decide *not* to use their gifts. One, a girl, refuses to bring animals to their death in the hunt. The other, a boy, wears a blindfold lest his eyes and his anger kill.

In this beautifully crafted story, Ursula K. Le Guin writes of the proud cruelty of power, of how hard it is to grow up, and of how much harder still it is to find, in the world's darkness, gifts of light.

From reader reviews:

Leonard White:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era that is always change and advance. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This Gifts is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Richard Swisher:

Do you among people who can't read gratifying if the sentence chained within the straightway, hold on guys this specific aren't like that. This Gifts book is readable by simply you who hate the perfect word style. You will find the info here are arrange for enjoyable reading experience without leaving possibly decrease the knowledge that want to supply to you. The writer regarding Gifts content conveys the thought easily to understand by many people. The printed and e-book are not different in the articles but it just different such as it. So , do you nevertheless thinking Gifts is not loveable to be your top list reading book?

Lloyd Stec:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many problem for the book? But almost any people feel that they enjoy to get reading. Some people likes examining, not only science book but novel and Gifts or even others sources were given information for you. After you know how the great a book, you feel wish to read more and more. Science e-book was created for teacher as well as students especially. Those books are helping them to put their knowledge. In other case, beside science publication, any other book likes Gifts to make your spare time more colorful. Many types of book like this one.

Kellie Stephens:

Reading a book make you to get more knowledge from it. You can take knowledge and information coming from a book. Book is prepared or printed or created from each source in which filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social like newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the Gifts when you essential it?
