Law and Social Theory: Second Edition

Law and Social Theory: Second Edition

There is a growing interest within law schools in the intersections between law and different areas of social theory. The second edition of this popular text introduces a wide range of traditions in sociology and the humanities that offer provocative, contextual views on law and legal institutions. The book is organised into six sections, each with an introduction by the editors, on classical sociology of law, systems theory, critical approaches, law in action, postmodernism, and law in global society. Each chapter is written by a specialist who reviews the literature, and discusses how the approach can be used in researching different topics. New chapters include authoritative reviews of actor network theory, new legal realism, critical race theory, post-colonial theories of law, and the sociology of the legal profession. Over half the chapters are new, and the rest are revised in order to include discussion of recent literature. (The first edition was published as An Introduction to Law and Social Theory [ISBN 9781841132099 ; 2002].)

From reader reviews:

Evelyn Spencer:

Why? Because this Law and Social Theory: Second Edition is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking means. So , still want to delay having that book? If I have been you I will go to the e-book store hurriedly.

Marilyn Leonard:

Does one one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you find out the inside because don't determine book by its include may doesn't work here is difficult job because you are scared that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer may be Law and Social Theory: Second Edition why because the great cover that make you consider about the content will not disappoint anyone. The inside or content is usually fantastic as the outside or perhaps cover. Your reading 6th sense will directly show you to pick up this book.

Joe Dix:
