Meshuggenary: Celebrating the World of Yiddish Payson R. Stevens, Sol Steinmetz, Charles M. Levine

Rumors that Yiddish is a dead language are greatly exaggerated. In fact, both the Yiddish language and culture are alive and well in America and elsewhere. English speakers take note: *The Random House Dictionary* and the *Oxford English Dictionary* both contain almost 100 Yiddish words that are now considered part of the English language. The impact of Yiddish culture is strongly felt in the films of Woody Allen, in Broadway shows like *The Producers*, and in television sitcoms such as *The Nanny* and *Seinfeld* in the tradition of the comic headliners of the Catskills. The world of Yiddish reaches out and embraces us in the literature of Isaac Bashevis Singer and Art Spiegelman, the culinary offerings of innumerable delicatessens, and the renewed popularity of *klezmer* music.

Yiddish is rich and soulful, thick with pathos, full of humor and self-deprecating wit and sarcasm -- as a language it uniquely captures the essence of what, or who, it describes. If you've ever *noshed* on a *bagel*, or yelled at the *schmuck* who had the *chutzpah* to cut you off at the traffic light, you've been enriched and empowered by Yiddish.

Beautifully designed and illustrated, *Meshuggenary* is a deeply researched and eclectic introduction to Yiddish language, culture, and history. It explores the basics of Yiddish vocabulary and grammar; proverbs, expressions, blessings, curses, and insults; and even the difference between Yiddish, Yinglish (Yiddish-origin words now part of English), and Yiddlish (words that sound Yiddish but aren't). There are chapters on Yiddish humor, literature, theater, and music; a who's who of Yiddish luminaries; and a captivating glimpse of the contributions of women to its literature and culture. So you shouldn't go hungry, there's a chapter on food with a tempting selection of family recipes. And if this little taste isn't enough to satisfy you, there's information on a host of books and Yiddish Web sites and Internet links.

Erudite, accessible, highly informative, and enormously entertaining, *Meshuggenary* is an irresistible pleasure.
